# SAVANT PRO REMOTE

The Savant Pro Remote is the most flexible remote on the market when it comes to user personalization.

The Pro Remote can be perfectly customized to be easy to use in simple applications, like watching TV in a guest room, or customized for the advanced power user who wants access to everything. Best of all, the same remote can deliver a personal experience for different users in the same home.

Every user can enjoy unmatched features like control of Savant Video Tiling, Truelmage Lighting and new Siri Voice Control.

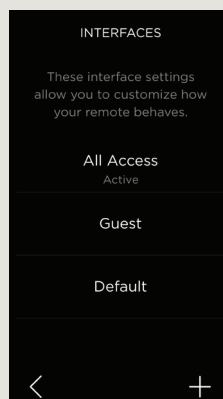

# PERSONALIZE FOR MULTIPLE USERS

Savant's Pro Remote delivers a full range of control for Services and Scenes, including Entertainment, Lighting, Climate, Shades and more. Personalize by user so everyone has quick access to their favorite Scenes and channels.

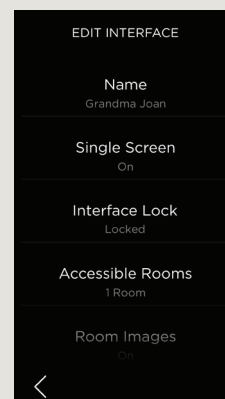

## INTERFACE SETTINGS

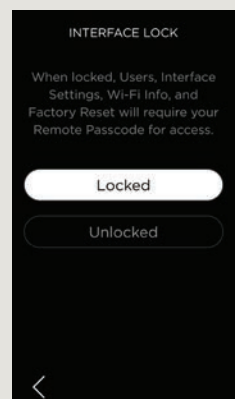

Optimize each remote for the needs of the room.

Drag

Place

# CONTROL OF SAVANT MUSIC

Control Savant Music with the Savant Pro Remote, including access to streaming services, playlists and more.

# SPECIAL FEATURES

Give your guests personalized control without the need to create their own Savant user account.

## USERS

Create and save custom interfaces with exactly the screen layout, options, and level of access your guests need. Add optional PIN protection to the settings you want to keep locked down.

## VOICE CONTROLS

With native voice control built right into the Pro Remote, and available options for Siri integration, users who prefer to speak their mind won't be disappointed.

“Hey Siri, watch  
Game of Thrones.”

“The new Savant Pro Remote Home Screen update is fantastic. It is simple to set up custom profiles and I love the fact that we can easily re-order Favorite Channels, Scenes and Services directly from the remote’s Home Screen.”

- ELI WEINKLE, NXT AV, IRVINE, CA, SAVANT AMBASSADOR

# SPECIAL FEATURES

Manage even our most advanced smart home control features right from the screen of the Savant Pro Remote.

## VIDEO TILING

For Savant Homes with our IP Video Tiling feature, select between tiling layouts, choose active audio, and enjoy control of multiple entertainment services at once, all on the same screen, right from your remote.

## TRUEIMAGE

With Savant Truelmage, the Pro Remote offers a uniquely immersive lighting control experience.

Adjust brightness or apply saved color favorites to any accessible light and watch as the on screen Truelmage display changes in real time.

Savant offers multiple remote control options designed to fit the needs of every user, including unique personalization features that can be adjusted by the user to match their changing needs.

# SUPERIOR HOME CONTROL AND ENTERTAINMENT

Savant's line of award-winning remotes offers a range of flexible options for control of entertainment, lighting, climate and more. Deliver a customized user experience for everyone in your home.
